

GEAR LIST

TRAD. SAILING & SEAMANSHIP ON PETREL

W/ANNIE NIXON

SUGGESTED GEAR:

- Fleece or wool sweater
- Foul Weather Gear (top and bottom)
- Hat
- Bandana
- Shoes or closed toe sandals. Flip flops should not be worn as they do not provide the necessary footing and protection that you'll need while sailing. It's possible that your footwear will get wet so plan accordingly.
- Sunscreen
- Water Bottle
- Insect repellent
- Sunglasses
- Sunglass holders (around the neck) ex. Croakies
- Rigging knife (optional)
- Daypack or tote bag to hold your own stuff (preferably water resistant)

Optional, fun stuff: (this stuff should be minimal and packable)

- Binoculars
- Hand compass
- Personal PFD (school will provide, but if you have your own and prefer it)
- between meal treats

You may get wet in this course; you will definitely be wading in the water. Please keep this in mind with your clothing choices.

- We will provide charts, food and water, PFDs, VHF radios.
