

GEAR LIST

COASTWISE NAVIGATION

W/ JANE AHLFELD

SUGGESTED GEAR:

WBS will provide all necessary navigation tools and instruments. You are encouraged to bring and use any you own, since you may be more comfortable with familiar tools.

Notebook, Calculator, Pencils, erasers
Sun Protection, Sun Glasses & Sun Hat
Waterproof Duffel or Day Pack to take gear on boats
Foul Weather Gear, Boots & Hat for inclement weather
Extra Clothing – it can be cold here on the water
PFD –WBS will provide PFDs, but you may bring your own

If you have any of the following – you might enjoy having them with you:

Binoculars
Portable GPS
Magnifying glass / reading glasses
Watch
Tablet, iPad, phone to download apps

SUGGESTED READING:

- *BOAT NAVIGATION FOR THE REST OF US by Captain Bill Brogdon
- *THE PRACTICAL PILOT by Leonard Eyges
- *PILOTING AND DEAD RECKONING by H.H. Shufeldt & G.D. Dunlap
- *Navigation chapters in THE ANNAPOLIS BOOK OF SEAMANSHIP by John Rousmaniere
- *Navigation chapters in PILOTING, SEAMANSHIP AND SMALL BOAT HANDLING (CHAPMAN'S) by Elbert S. Maloney

Any standard work on Piloting and Dead Reckoning will be helpful.
