

# TOOL LIST

STITCH & GLUE CONSTRUCTION

W/ JOHN HARRIS

## **RECOMMENDED TOOLS:**

*None of these are required, especially if you are flying to Maine, but they will be helpful during the class.*

- Cordless Drill
- Selection of drill bits
- Pliers
- Wire cutters ("dykes")
- Eye protection
- Comfortable respirator (paper dust masks are provided by WB School)
- Ear protection
- Work Clothes and shoes that you don't mind getting glue on

## **HIGHLY RECOMMENDED READING:**
