

## WOODENBOAT SCHOOL TOOL LIST

### BUILDING A SHIP IN A BOTTLE

#### **REQUIRED TOOLS:**

Pencil

Sand paper, various grits

Sanding wands, various grits

Pin vise(s)

Fine drills

Craft knives, ie. Excel or X-Acto – strongly recommend # 10 blades

Fine files

Fine chisel (1/4" or smaller)

Elmer's glue (not Elmer's School Glue)

Super glue (not Gel)

Fine threads, black and light brown

Beeswax

Tweezers, both fine and 6"

Small paint brushes

I used to include "good eyesight" and "a sense of humor" with this list. Many of us will admit to lacking the first. I have yet to meet anyone who will admit to lacking the second.

***SEE BELOW FOR PICTURE OF TOOLS BEING SUGGESTED***
